

# Resume

Mayank Kumar Shah

Haryana, India

Email: jimayank2105@gmail.com | Phone: +91 9013584367

## Objective

Aspiring computer science engineer with strong proficiency in multiple programming languages, data structures, and algorithms. A passionate developer with hands-on experience in web development and personal assistant applications. Currently pursuing an Ethical Hacker certification and looking for opportunities to apply my skills in real-world problem-solving and technology innovation.

## Education

Bachelor of Technology in Computer Science and Engineering

Satyug Darshan Institute of Engineering and Technology, Haryana

Expected Graduation: 2028

Relevant Coursework:

Data Structures and Algorithms (DSA), Computer Networks, Operating Systems

Key Projects:

- Zomato Clone - A web application simulating features of Zomato using HTML, CSS, and JavaScript.
- Personal Portfolio Website - A responsive personal website showcasing my projects and skills.

## Technical Skills

Programming Languages: Java, Python, C, C++, HTML, CSS, SQL

Technologies: Linux, Networking, Git

Tools & Libraries: Python's speech\_recognition, pyttsx3, datetime, Flask

## **Projects**

- Personal Assistant using Python

Built an intelligent assistant capable of performing tasks like web searches, managing schedules, sending emails, and weather forecasting. Used Python libraries (speech\_recognition, pyttsx3) to process voice commands and provide spoken responses. Demonstrated expertise in Python, automation, and basic natural language processing.

- Zomato Clone - A web application simulating features of Zomato using HTML, CSS, and JavaScript.
- Personal Portfolio Website - A responsive personal website showcasing my projects and skills.

## **Certifications**

Ethical Hacker Certification - Cisco Network Academy

Expected Completion: May 8, 2024

## **Languages**

Hindi: Native

English: Fluent

## **Soft Skills**

Strong Communication, Leadership, Problem-Solving, Teamwork
